25     Sir:

In response to the outstanding Office Action, dated March 3, 2003, please amend the above-identified patent application as follows:

IN THE CLAIMS:

30     Please amend the claims as indicated below. A version of the claims which has been marked to show all changes is included as an Appendix.

*B1*

1. (Amended) A method of prefetching one or more Internet resources referenced in one or more Web pages, said method comprising the steps of:

35     obtaining one or more estimated round trip times for said Internet resources, wherein said one or more estimated round trip times are based on an interval of time between a sending of an HTTP request and a receipt of a response to said HTTP request; and

prefetching said Internet resources based on a descending order of said one or more estimated round trip times.
